I, therefore, agree to conduct myself according to the following Code of Ethical Behavior. I understand that this code of ethics has been set forth with the purpose of allowing the privilege and honor of being a part of a successful organization, to give me the full opportunity of becoming a better competitor, and to instill the desirable traits for good citizenship. I also realize that if I do not live up to this agreement, I will be removed from that particular sport in which I am involved.

I understand that there are three training demands, which will be strictly enforced:

For the first infraction of the above rules, I will be disciplined by the head coach in that particular sport. For the second offense, I will be dropped from athletics for the remainder for the school year. Should I commit one of the offenses during the following school year, I will be dropped from all athletic teams my entire All Saints Athletic career.

If I fail to meet the following standards, a proper course of action will be taken. I will be counseled by the coach the athletic director and / or dismissed from the team for the remainder of the season or for a length of time, which would be fair and just, as determined by the coach.

6. Be responsible for all athletic equipment entrusted to me and return it to the school in the best possible condition.
