## About Video Games Art Camp

Hello students, let's talk about the camp that you are signing up for!

This camp we will be inspired by our favorite Video Games. Our projects will include some fun paintings of Mine Craft (I'm so excited about that one!) or even learn how to draw Mario and Luigi...we will try our best to pack it all in one week!

We will break down our days with projects, snack and small recess breaks, enjoy the summer sun for a project or two and have fun with our camp mates.

At the end of the week, students will be able to take home their artwork!

## FAQS

**Will a snack be provided?** Yes, pretzels, goldfish, popcorn are some examples. Please list any allergies above! I'll provide small disposable water bottles if needed but students should bring their own drink (water or juice).

**Do you provide sunscreen?** No, but I highly encouraged student's wear their own before camp! A hat is also a good recommendation as well as bug spray!

**What clothes should my child wear?** Students should wear something that you and they do not mind getting messy like old t-shirts and old shorts! We will get dirty with paints or dyes!

**Does my child have to be a student at All Saints Episcopal School!** Not at all! Everyone is welcomed!

**How do I sign up?** Return this form to the front office! Or through Sign Up Genius!
