Any food allergies or medical attention that I need to know about? _____

Parent's First & Last Name: _____

Cell Number: (____)-____-____ Parent's email: _____

About Art Camp: Photography Workshop

Hello students, let's talk about the camp that you are signing up for!

This two-week workshop will be centered around all things Photography. Students will need access to a digital camera, like phone, ipod/ipad, point and shoot, etc. No, your child does not need a big fancy camera! We can create great photography with almost anything! We will learn understanding in light, easy photo effects and editing. Not everything will be digital, we will also work with prints, collages, mixed media and photo transfers! This camp is for anyone wanting to broaden their ability in the photo arts. We will steadily work through both weeks, Monday-Thursday. At the end of the second week, students will take home their art to share with their families and friends.

FAQS

Will a snack be provided? Yes, pretzels, goldfish, popcorn are some examples. Please list any allergies above! I'll provide small disposable water bottles if needed but students should bring their own drink (water or juice).

Do you provide sunscreen? No, but I highly encouraged student's wear their own before camp! A hat is also a good recommendation as well as bug spray!

What clothes should my child wear? Students should wear something that you and they do not mind getting messy like old t-shirts and old shorts! We will get dirty with paints or dyes!

Does my child have to be a student at All Saints Episcopal School! Not at all! Everyone is welcomed!

How do I sign up? Return this form to the front office! Or through Sign Up Genius!
