

Lower and Middle School Math Camp

Session 1: June 13-15 Session 2: July 11-13

Mrs. Owens and Mr. Baldwin would like to invite any incoming 3rd, 4th, 5th, & 6th Graders to join us for Math Camp this summer! Mr. Baldwin is also offering incoming 7th & 8th grade Tutorials.

We will review key math concepts, explore grade level standards, and extend past your grade level with FUN activities and challenging new material! This is perfect for any students who might need a math refresher this summer!

Incoming 3rd and 4th Graders will meet from 9 am - 10:30 am.

Incoming 5th and 6th Graders will meet from 10:30 am - 12 noon. Incoming 7th and 8th Graders will have tutorials from 12 noon- 1:30 pm.

Space is limited! Please fill out this form and return to Mrs. Owens or Mr. Baldwin by May 27th to reserve your spot. We hope you can join us!
